### RALLY to READ FALL 2008 TRAINING SERIES

We are excited to share with you the plans for the upcoming Fall 2008 Rally to Read Training Series. This 6-day series will begin during the week of August in-service training and conclude approximately two weeks later. The tentative dates for this series have been set as follows:

Wednesday, August 20  
Thursday, August 21  
Friday, August 22

Wednesday, September 10  
Thursday, September 11  
Friday, September 12

The first three days of training will include the following topics: Overview of Reading Research, Phonemic Awareness Training (based upon the LiPS program, this portion of the training was made more 'teacher-friendly' in 2007), and LAC pre/post testing. The last three days will focus on each of the software components of Rally to Read, as well as GORT pre/post testing. Please see our website ([www.cldtx.org](http://www.cldtx.org)) for detailed information regarding the program overview as well as the costs for the program components.

The cost for the 6-day training series is \$750 for a new teacher (if a previously trained teacher would like to attend the series as a 'refresher course', the price is \$600 per series or \$150 per day). Also, we are offering a 20% discount for 10 or more people who attend the training from the same district.

For those campuses implementing the Rally to Read program in the fall, we recommend that the software programs be ordered now and that the Rally to Read teachers spend time this spring becoming familiar with the software – this will give them a major advantage when they begin training and will prevent unnecessary delays in implementing the program in the fall. Please let us know if we can provide any further information or be of help in any way.

*An e-mail confirmation notice will be sent upon your registration.*

*Please note: Training fees cannot be refunded after May 31<sup>st</sup>.*

*Because of limited space for this training series, please mail this completed form & a check or purchase order by May 31st to:*
